MOTORCYCLE STUNTMAN JOHNNY BLAZE HAS ALWAYS HAD HIS HEART IN THE RIGHT PLACE... AND MADE ALL THE WRONG DECISIONS.

JOHNNY WAS CURSED TO SERVE AS THE GHOST RIDER, SPIRIT OF VENGEANCE, A HORRIFYING LEATHER-CLAD BIKER WHOSE SKULL FACE WAS LIT BY A FLAME THAT COULD NOT BE EXTINGUISHED. WHENEVER HE WAS IN THE PRESENCE OF EVIL, HE WOULD TRANSFORM INTO THIS SPIRIT WARRIOR AND DISPENSE BLOODY RETRIBUTION UPON EARTH'S SINNERS.

THAT IS, UNTIL JOHNNY BLAZE WAS CAST INTO HELL.

EVER SINCE, HE SPENT HIS DAYS RACING A DEMONIC HORDE TO HELL'S GATES, REACHING TOWARDS IMPOSSIBLE FREEDOM, ONLY TO BE DEVOURED AND DEFEATED MERE INCHES AWAY FROM HIS LIBERATION.

UNWILLING TO REMAIN IMPRISONED, GHOST RIDER ENLISTED A DEMON NAMED GREEKIX TO HELP HIM BURROW OUT OF HELL, UNAWARE THAT GREEKIX WAS ACTUALLY A DISGUISED LUCIFER, INTENT ON ESCAPING HIMSELF.

THOUGH JOHNNY BLAZE DID FINALLY RETURN TO EARTH, HE INADVERTENTLY BROUGHT THE PRINCE OF DARKNESS ALONG WITH HIM. BUT IN THE TRANSITION FROM HELL TO EARTH, LUCIFER'S PHYSICAL FORM BROKE APART AND SCATTERED INTO 666 PIECES, EACH OF WHICH POSSESSED A RECENTLY DECEASED MAN, WOMAN, OR CHILD. NOW, THOSE CORPSES HAVE REANIMATED UNDER LUCIFER'S CONTROL AND ARE WREAKING HAVOC ON THE EARTH.

TO MAKE MATTERS WORSE, FOR EACH REANIMATED CORPSE THAT GHOST RIDER DEFEATS, EVERY OTHER WILL INCREASE IN STRENGTH AND POWERS. WHEN ONLY ONE REMAINS, IT WILL BE A BEING OF SUCH IMMENSE POWER THAT NONE CAN STAND IN ITS WAY... NOT EVEN GHOST RIDER!

BUT HAVE IMPOSSIBLE ODDS EVER STOPPED THE SPIRIT OF VENGEANCE BEFORE?

THE QUENTIN CARNIVAL.
THIS IS WHERE IT ALL STARTED.
THIS IS WHERE BARTON BLAZE-- MY FATHER-- DIED.
AND I WATCHED IT HAPPEN.
I WATCHED HIM BURN.
THIS IS WHERE MY VENGEANCE WAS BORN.

THAT NIGHT, I COULDN'T SLEEP-- EVERY TIME I CLOSED MY EYES, I SAW THE *FLAMES*.
WHY DID THIS *HAPPEN* TO ME?
WHY DID THIS HAPPEN TO *US*?
B-BART...?
BART, IS THAT--?
OH, JOHNNY... IT'S JUST YOU..
THE NEXT MORNING, IT *WAS* JUST ME-- MOM WAS GONE AN' SHE'D TAKEN MY LITTLE BROTHER AN' SISTER *WITH* HER.
I DIDN'T KNOW WHO TO BLAME FOR *DAD* DYIN', BUT IT WAS PRETTY CLEAR TO ME THAT I WAS RESPONSIBLE FOR *MOM* LEAVIN'.
AND EVERY NIGHT, THE FLAMES IN MY DREAMS BURNED A LITTLE *HOTTER*.

CRASH SIMPSON
DAREDEVIL CYCLE SHOW
THE SIMPSONS--ANOTHER FAMILY THAT TRAVELED WITH THE CARNIVAL--TOOK ME IN. CRASH, THE DAD, OFFERED TO RAISE ME AS HIS OWN.
OH, PLEASE STAY WITH US, JOHNNY... PLEASE!
I SHOULD'VE SAID NO. I SHOULD'VE RUN AWAY.
WHATEVER YOU SAY, ROXANNE.
BUT I DIDN'T... BECAUSE OF HER.
ROXANNE WAS... EVERYTHING I WASN'T.
I WAS SO FULL OF HATE, BUT SHE...IT WAS LIKE SHE WAS BEYOND THAT. ABOVE IT.
SHE SMILED FOR ME WHEN I COULDN'T.
SHE LAUGHED FOR ME WHEN I COULD ONLY SCREAM.
SHE SHOWED ME THAT LOVE COULD HEAL A BROKEN HEART.
SHE WAS MY ANGEL.
AND I REPAID HER KINDNESS BY CAUSING HER MOTHER'S DEATH.
BUT WHAT I DID TO HER FATHER WAS EVEN WORSE.

I SENT HIM TO HELL.

I'M... SO SORRY, ROXANNE...
UNBELIEVABLE.
SHE SHOULD BE THE ONE APOLOGIZING TO YOU, JOHNNY.
I MEAN, IF SHE WASN'T DEAD...
FWHOOO

KRAKOOM!
WHERE ARE YOU, YOU SON OF A—
JOHNNY BLAZE
THIS IS WHAT I WANTED YOU TO SEE!
JOHNNY BLAZE

KRAKK!
THIS WAS OUR HOME.
THIS WAS WHERE I HAD EVERYTHING I'D EVER WANTED.
I'D USED MY SAVINGS TO BUY THE OLD QUENTIN CARNIVAL AND GET IT BACK TO WHAT IT ONCE WAS. I HAD A FAMILY. I HAD PEACE.
I'D LEFT VENGEANCE BEHIND... AND WITH IT, THE GHOST RIDER.
BUT I DON'T THINK ROXANNE EVER REALLY FELT AT EASE...
...IT WAS LIKE SHE WAS ALWAYS JUST WAITING FOR THE OTHER SHOE TO DROP.

AFTER ALL WE'D BEEN THROUGH, I COULD HARDLY BLAME HER FOR THAT.
GUESS I SHOULD'VE BEEN MORE CONCERNED, TOO... BUT WHAT CAN I SAY?
I WAS NAIVE.
ALWAYS WAS.
JOHNNY?!
WHAT'RE YOU DOIN' HERE?
UMM... WHAT'RE YOU DOIN' HERE?
I RAISED ALL MY LIFE BY CARNIVAL FOLK--PEOPLE WHO HAD ALL OVER THE WORLD AIN' SEEN ALMOST EVERYTHING THERE IS TO SEE.
OLD THINGS.
MAGICAL THINGS.
GROWING UP WERLESS. HAVING EVERYTHING I LOVED TAKEN AWAY FROM ME... THE OCCULT OFFERED EVERYTHING I THOUGHT I NEEDED.
IT OFFERED POWER.
IT OFFERED ME WHAT LOVE COULDN'T.

AND IT'S WHAT I TURNED TO WHEN I NEEDED HELP.
CRASH SIMPSON--- MY ADOPTED FATHER--WAS DYING OF CANCER.
TO SAVE HIM FROM THAT FATE, I OFFERED UP MY SOUL TO HELL USING A SPELL FROM AN OLD BOOK OF MAGIC.
HELL ACCEPTED.
THOUGH HE NEVER [redacted] IT, [redacted] SIMPSON'S [redacted] WAS MIRACULOUSLY CURED...
MADISON SQUARE GARDEN PRESENTS: CRASH SIMPSON! 22 CAR WORLD RECORD!

I DIDN'T CARE.
FOR WHAT I'D DONE, I *DESERVED* TO GO TO HELL.
BUT ROXANNE WOULDN'T *LET* ME GO.
I STILL DON'T KNOW WHAT SHE DID--OR *HOW* *SHE DID IT*--BUT *SOMEHOW*, SHE STOPPED HIM FROM TAKING MY SOUL.
BUT THE DEVIL WASN'T THROUGH WITH ME YET.

HE COULDN'T TAKE ME TO HELL, HE BROUGHT HELL TO ME.
I BECAME THE GHOST RIDER.
WHAT IT WORSE--WHAT MAKES THE FLAMES BURN EVEN HOTTER-- IS THAT I LET HIM DO IT TO ME.

GHOST

Okay. So I may have been a little premature in branding Sean from the issue #3 edition of "Ghost Writers" as the Greatest Ghost Rider Fan of All Time. I now know there are a number of Flameheads out there who may be just as Great as Sean (maybe <gasp!> Greater!) and I discovered my sin when the letters started pouring in like hot lava. They took me to task for making such a quick judgment before seeing all the contestants. After being forced to subsist on salty peanut shells, jalapeño peppers, and sticky jars of honey for a month without even a sip of water, I thought I'd paid my penance, but editor Axel Alonso cracked the old spiked whip again and demanded that I craft a special double-sized two-page letters column that would properly showcase the other fans clamoring to take the throne. So, without further ado, here's to the fans whose love for Ghosty burns the brightest!

Dear Ghost Writer Team,

I can top Sean. I have been a Ghost Rider fan all my life. I found my dad's *Ghost Rider* comics when I was a small child and have been hooked since. He had about three at the time and I took it from there, and now I have a good portion of all the comics that have been released. One day, my set will be complete.

Also, I have a giant black light poster and a Ghost Rider cardboard cut-out. I am just about to turn 19 and the week after my 18th birthday I got the Spirit of Vengeance symbol tattooed on my chest. It was probably the greatest thing I've ever spent money on. So I think that I might top Sean, but that's up to you guys to decide.

Scott Ross
West Allis, Wisconsin

Oh yeah, like I'm gonna make the same mistake twice. I think I learned my lesson the first time I made such a bold claim. That said, you're a mighty good contender. Let's see who else we've got.

Dear Ghost Writers,

I've been collecting GR since I was a kid with *Marvel Spotlight #5* up to now. The new series coming out and the movie right around the corner has got me hyped enough to get a tattoo. I'm planning on getting the rest of the leg done with the same GR theme. I'll keep you updated with the results.

John Ryan

Please do keep us updated, John! We here in the Marvel Knights Office love us some tattoos, even though (ironically enough) none of us have one. Well, Axel's got one… but I can't really talk about it, because it depicts an evil-looking unmentionable performing an unmentionable act to a basket of unmentionably cute baby kittens… and it's on an unmentionable part of his body. I won't even mention it.

Flameheads,

I was reading *GR #3* and came across the letters in the back and the one that caught my eye was the one with the GR tattoo. Well, you guys asked if anyone can top it. I can. I've had my GR tattoo since '98. I've been reading *GR* ever since Texeira's been drawing it way back in the early 90's. Personally, he's the only one that can do him justice, with Saltares in a close second. I've been waiting for another GR rendition to come out and so far it's pretty sweet.

Your loyal reader,
John Rios….nuff said.

Thanks for reading, John! And great tattoo! You've done Tex and Jarv proud!

Dear Ghost Rider staff,

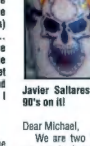
I must start off by saying "well done" on the start of the new series. I love it and love the whole concept of the Ghost Rider character in general. I have every single issue of the second series, every miniseries there is, and several special appearances in other titles including all the *Midnight Sons* family titles. I almost have the entire first series and *Marvel Spotlight* complete; I only lack 11 issues. I also have several collectibles and would have many more if I could afford them.

I noticed in the letter column in issue 3 of the new series that there was a devoted fan with a Medallion of Power tattoo on his leg and I wanted to share my dedication as well. I've got my tattoo on my right arm. I love it and it's a great custom job.

I'm looking forward to the never-released issue #94 of the second series. I was always very disappointed that Marvel never printed it. I heard you are releasing it now. Do you have a date yet?

Thanks for your time and I hope to see many more issues of *Ghost Rider* coming my way as well as the Ghost Rider movie, of course!

Thanks a lot,
Ron Griffin



Ron, the good news is that *Ghost Rider #94* is happening! In January, this blast from the past hits the comic books shelves and serves up your last heaping helping of Danny Ketch for some time. Plus, my homeboys, Javier Saltares and Mark Texeira, get all 90's on it!

Dear Michael,

We are two "Flamehead" Italian boys and we are both very happy for the return of Ghost Rider. We have waited many years for a regular series.

The first issue was fantastic and the artistic team is incredible!!! This series will surely be successful.

Unfortunately, in Italy our hero has never had great notoriety and we have always had difficulty finding the original American comics of Ghosty, but this doesn't discourage us from looking! I would like to ask you:

1) Will there be some team-ups between Ghosty and the X-Men?

2) Will there be more miniseries like *Road to Damnation* in the future?

3) Will Marvel reprint the first issues of *Ghost Rider*?

We can't wait for the next issue!
Good Luck,
Marco and Massimiliano
Portici (Napoli), Italy

Hey guys! Thanks for the drawing and the dedication. We appreciate you keeping the Rider alive in Italy. Now as for those

WRITERS

questions:

1) No immediate plans at the moment, but you never know. They might pop up at some point.

2) Yes! Another miniseries from the same great team of Garth Ennis and Clayton Crain will deal with the original Spirit of Vengeance. It's in the works right now and we can't wait to tell you more about it soon!

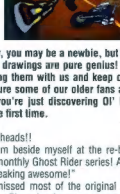
3) Ghosty's first appearance in *Marvel Spotlight #5* was recently reprinted by our fantastic Trades Department in a special issue of *Marvel Milestones*. And if that doesn't sate your Rider addiction, Ghost Rider's earliest adventures are being reprinted in our *Essential* line of trade paperbacks. The first edition has already been released and I hear that a second one is on the way soon!

Dear Ghost Writers,

I'm kind of a newbie to Ghost Rider. While I've always loved the concept of the character and the look, I never really got into reading it until recently. I must say you guys are doing an incredible job so far!

It even inspired me to make some fan art. I hope you guys enjoy!

Jonny "Freeze" McDonough



Jonny, you may be a newbie, but your Ghost Rider drawings are pure genius! Thanks for sharing them with us and keep on reading. I'm sure some of our older fans are jealous that you're just discovering Ol' Flamehead for the first time.

Flameheads!!

I am beside myself at the re-launch of a new monthly Ghost Rider series! All I can say is, "freaking awesome!"

I missed most of the original series with Johnny Blaze; I only saw one or two of them. Needless to say, my interest was sparked by the 1990's series with the Dan Ketch Ghost Rider, the miniseries *Midnight Sons*, and the limited run of *Ghost Rider 2099*. I was saddened when they were dropped. I had lost track of the Spirit of Vengeance and didn't even know he reappeared in the *Hammer Lane* series.

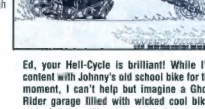
However, my interest in the character was re-sparked by the upcoming movie. So far, the trailers for the February opening have been mind-blowing. When I found out that the monthly series had been re-launched, I ran out and started checking the one and only comic store on post (Fort Irwin) for it. I missed #1, but I have issues #2-4 and eagerly await #5. All I can say is that I love it all over again and the artwork is absolutely great!

I have a little artwork attached as well... if you ever need an idea for a new Hell-Cycle, let me know. This one has aspects of the movie bike and the current one that appears in this comic, so enjoy!

Keep it up and as long as the Rider is back with the intentions of making Satan's life a living Hell, I'll be running to buy them!

So until the Hellfire dies out in Ghost Rider's eyes, Make Mine Marvel!

Ed Beli



Ed, your Hell-Cycle is brilliant! While I'm content with Johnny's old school bike for the moment, I can't help but imagine a Ghost Rider garage filled with wicked cool bikes and choppers. If anyone out there would like to add a bike they've designed to this hypothetical garage, I'll print the best ones here in this letter column in the coming months!

Dear Ghost Rider guys:

I never thought I would ever write to you guys, but after seeing you post the picture of Sean as the #1 Ghost Rider fan, I felt I had to set things straight.

I fell in love with Ghost Rider when I first snuck a copy of *GR #14* into my house after a friend of mine let me borrow it. My parents are mad Jesus freaks, and I knew they would flip if I let them see it.

Ever since that day, I have been a huge fan. I have every issue of the Blaze series, including two #1s. I also have every copy of the Danny Ketch series with all the different covers that were released. I have models, signed copies, Hero Caps, pins, shirts, statues, HeroClix, posters, a pre-cut of *DK GR #21*, *GR 2099*, all the GR crossovers, *Midnight Sons*, Christmas specials, any other comic that has the Flamehead on it, and an original artist sketch with the edits on rice paper. I could go on, but I really do not want to annoy you. I had a friend who owned a comic shop, so I got all his GR promo stuff. Whenever anything new comes out, the guys at my comic store automatically put it in my reserve for me, knowing full well I will get it.

Now that I have bragged like a little groupie about my collection, I will clarify something. I am 32 years old, own my own construction company, and I do not live in my parent's basement. The artwork and the storylines have always intrigued me. I had a little trouble with how the DK storyline changed after the whole family bloodline started, but I got used to it. The only big disappointment that I had was with the missing *DK GR#94*. I felt a great incompletion for the series. I hope you guys do release the lost issue.

So far, the new storyline is awesome. My only question is, "Why does GR not recognize Dr. Strange"? He teamed up with him in quite a few issues as Blaze and Ketch, and should recognize him. I also like the fact that the main bad guy is Lucifer again, instead of dumbing it down for the religious zealots out there like they did with the JB GR series, I was wholly depressed when they went from calling him Satan to Mephisto.

I have attached a few pictures for you to view. I took a picture of the *Midnight Sons* emblem, which is tattooed on the right side of my neck, and the Medallion of Power, which is on my left shoulder. Out of everything I have collected, I have only had one casualty: the GR vinyl that I had left at my friend's house when I joined the Air Force. His cat knocked it off his bookshelf and ran off with one of its arms. If anyone knows where I can get another one, I would appreciate it.

Sorry to bother you so much, but I had to get this out. I hope you keep the GR books going, and I am looking forward to the publicity of the movie. Maybe it will bring more fans to the GR comics, and we can all enjoy the Flamehead for many years to come.

Sincerely,
Mike St.Rock
Ghost Rider Nut

Damn, Mike. You just blew my head out all over the desk, and that can be a real nuisance when I'm trying to get some work done. That said, your devotion to Ghosty is nothing short of chain-rattling, hell-bike revving, flamehead-burning awesomeness! If I was wearing a hat (and had a head left after you blew it apart with your letter and pictures), I would take it off to you and then set it on fire and bury it next to my shame.

There have been some great contestants this month, but who won? I'll leave that up for you Flameheads to decide. And keep sending in your art, tattoos, and if anyone's got a Ghost Rider motorcycle out there, please send photos! The e-mail is : SPIDEYOFFICE@MARVEL.COM!
